ABOUT HEY KIT CASA

HEY KIT CASA was founded in 2010.

Embracing the philosophy of 'Breaking boundaries, redefining home aesthetics.'

we specialise in product innovation that fits naturally into life. Our decade-long journey has resulted in a product collection where contemporary elegance meets functional design.

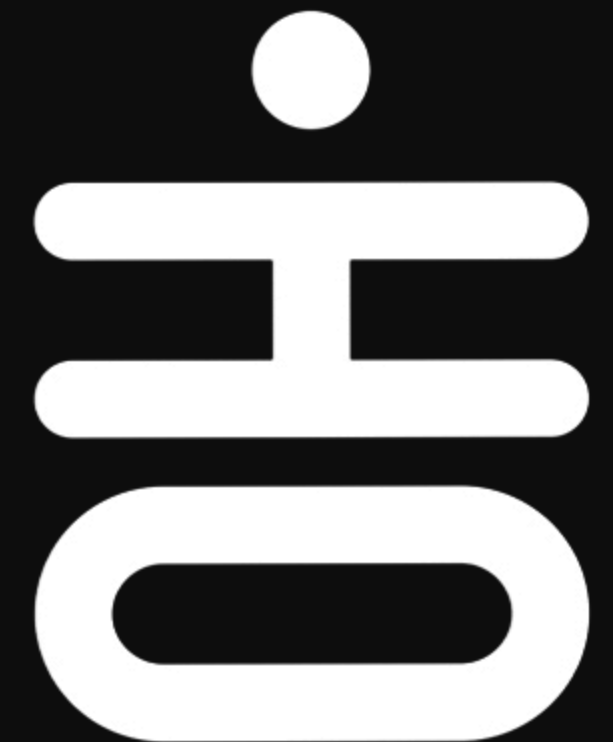

For the past 10 years,
HEY KIT CASA has catered to high-net-worth individuals throughout the Greater Pearl River Delta.
Specialising in large luxury apartments and villas, we have established ourselves as a premium light-
custom brand, at the same time we have accomplished the following.

Premium Store

During the period from 2010 to 2019, Launched two flagship stores of over 2,000m² each, showcasing the brand's complete design capability and philosophy.

Technical Assistance

Established our own brand-owned manufacturing facility, securing strong production capacity on the backend.

Infrastructure

Built a proprietary product portfolio alongside our own pricing, and sales systems.

Branding

Actively expanding into new media to elevate brand visibility

Focus Area

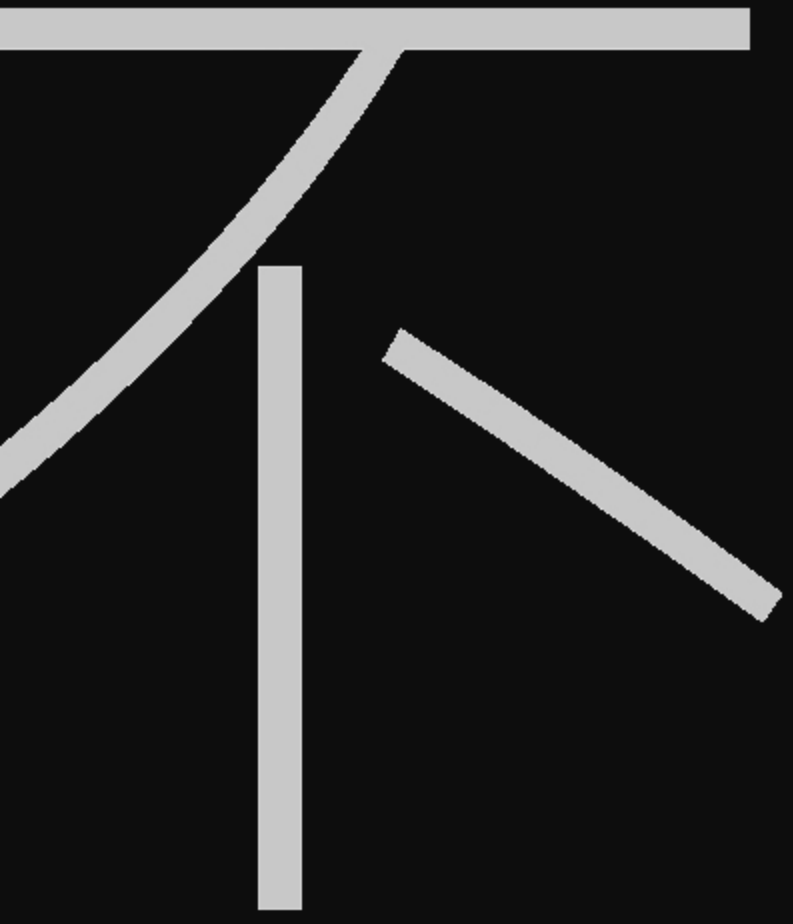

HEY KIT CASA remains dedicated to cabinetry systems, designing kitchens that inspire social connection, and pioneering the use of aluminium alloy, stainless steel, and other metals in future flagship products.

Simple decoration deserves thoughtful design. HEY KIT CASA Standard Series Basic Model reflects the minimum quality standard of HEY KIT CASA products. The basic model is not a simplified version; it can still stand out. The cabinet body features timeless stainless steel in its original color, while the cabinet doors offer various imported finishes. The imported nano-matt finish with skin-like texture provides excellent tactile and visual experience. All configurations can be freely adjusted to create your ideal kitchen space.

Even daily life deserves elegant rituals. HEY KIT CASA's Premium Series transcends basic functionality, defining the choice for middle-class living. It is not merely a pile-up of configurations, but a profound understanding of the balance between aesthetics and functionality. The Elegance Series outlines a distinctive lifestyle with just the right amount of luxury.

KIT CASA

HEY KIT CASA's luxury series represents not just the peak of product excellence, but also the pinnacle of your personal aesthetic and life philosophy. We abandon the concept of "models" - everything is exclusively tailored. Every detail, from rare materials sourced globally to meticulous craftsmanship, serves as a testament to your life's taste. The luxury series is not about owning a kitchen, but collecting a work of art that embodies a lifetime of learning.
